# Tejashvini Dipak Jogdande

Walchand College of Engineering, Sangli

Yavatmal, Maharashtra

+91 8329343459    tejsvinijogdadnde@gmail.com    **LinkedIn**

## Education

**2021 - 2025 | Walchand College of Engineering, Sangli**
Bachelor of Technology - **Information Technology**

**2020- 2021 | Samyak Drushti Secondary & Higher Secondary School, Mulawa**
HSC- Percentage :- 76.17%

**2018- 2019 | Saddham Vidyalay, Mulawa**
SSC- Percentage :- 65.40%

## RELEVANT PROJECTS:

**Project 1: Revolutionizing Exam Readiness**     **Sep 2023 - Nov 2023**

- Developed an AI-driven mock test system to help students prepare for exams with tailored practice tests.
- Enabled students to customize mock tests by selecting specific topics or subjects, enhancing flexibility and effectiveness.
- Achieved significant improvement in students' exam readiness, boosting confidence and performance in actual exams. Technologies : JavaScript, React.Js, AI Model.

**Project 2: ShugarBite**     **Feb 2024 - Api 2024**

- Enhanced market reach via strategic website solutions and Automated customer interactions for operational efficiency. .
- Integrated diverse payment options for enhanced customer convenience.
- Integrated diverse payment options for enhanced customer convenience.
- Technologies: JavaScript, React.js , Express.js, Node.js and Mongo DB

**Project 2: WeatherApp**     **May 2024 - Jun 2024**

- Dynamic Data: Provides real-time weather data (temperature, min/max temp, humidity, pressure, wind speed).
- Responsive Design: Features dynamic background images and weather icons based on conditions. User Validation: Prevents empty inputs and alerts if the city name is invalid.
- Technologies : HTML, CSS, JavaScript, API

## Technical Skills

| **Programming Languages** | **Technologies** | **CourseWork** |
|---|---|---|
| - C++ <br> - STL <br> - JAVA <br> - JavaScript | - Git <br> - Docker | - OOPS <br> - DSA <br> - DBMS, **SQL** <br> - CN <br> - OS |

## Achievements/Awards

- Solved 600+ DSA problem on Leetcode and GFG platforms.
- Got 94.92%ile in MHT-CET.
- **Finalist (Top 10 All India)**, Talent Park Competition (2024)
  Recognized by UNSTOP for outstanding technical skills and innovative projects in a competitive event featuring coding challenges and project presentations.

## Activities

- Participated in All India Women Hackathon 2023.
- Semi Finalist for all India women hackathon.
